

MISSION

To devote my knowledge, experience, skills and energy to work for an institution reputed for its excellence and to serve higher education.

ABOUT ME

I am Graduated from the South Eastern University of Sri Lanka, and obtained my Bachelor's Degree [BA (Hons.)], Specialization in Geography with First Class from the Department of Geography, Faculty of Arts and Culture of the South Eastern University of Sri Lanka in 2021. Presently, I am working as a Lecturer (Probationary) in Geography attached to the Department of Geography at SEUSL.

I have been conducting research for 4 to 6 years and published more than 30 research articles and my major areas of interest are; academic writing, research and publications in the field of Geography and Geographic Information Systems (GIS). However, I have presented many research findings at the National and International Conferences and published numerous research articles in the Research Journals that are recognized locally and internationally. And my substantial number of research articles have been indexed by SCOPUS, Google Scholar, etc. Therefore, I have received an Award for the "Best Research Paper" publication in India. Accordingly, I have been involved in several fields of study such as Physical Geography, Human Geography and Geographical Information systems.
